Hello to our worship attendees. At Providence, we address real life issues and as such, the sermon style, presentation and atmosphere will not be in the traditional sense that you may be accustomed to seeing. Remember that when Jesus taught lessons to the disciples and when he went through the cities healing people, he had to "meet people where they were." That sometimes meant going into places that were not deemed "godly." It is in that same spirit that we try to convey the message of Christ here at our church. God's message does not change, but the approach in understanding His Word sometimes changes. I invite you to join us in these experiences.
